

Fire extinguishers are the first line of defense for a fire and can suppress a fire before it spreads. They are an inexpensive insurance policy to protect against loss of life and property.

AAA Fire Extinguisher is offering a special package for SMLA Members to purchase fire extinguishers for their building's common areas and/or individual units.

SMLA MEMBER PRICING

Recommended in units: 2.5# ABC dry chemical Amerex extinguishers: \$43 each **SMLA PRICE \$34**

Recommended for common areas: 5# ABC dry chemical Amerex extinguishers: \$61 each **SMLA PRICE \$48**

Recommended for garages and furnace rooms: 10# ABC dry chemical Amerex extinguishers: \$95 each **SMLA PRICE \$75**

Upgrade any of above to chrome fire extinguishers: **Add \$20**

All units would be delivered to the property and come with a bracket and inspection tag. If you would like our technician to install them it would be a charge of \$8 per extinguisher.

Once you get your fire extinguishers, AAA Fire will set the property up in our automatic inspection database and our technicians will inspect them each year to insure that you are up to date and within code. If you currently have extinguishers in your buildings, please call our office at 784-8306 and mention SMLA for special pricing on annual inspections.
