

Hello Intrepid Landlord!

It's that time of year again! Your annual SMLA membership needs to be renewed. At only \$60, and renewable immediately through the link below, we can't make it any easier or less expensive. Don't wait until the September 1st deadline - renew now!

We are a volunteer organization that has been working diligently on your behalf this year on big housing issues that may violate your property rights, such as rent control and other dangerous initiatives being considered by local governments. We are attending meetings and advocating for you, writing papers, meeting with elected officials, and getting the word out. Please continue to support our efforts on your behalf. As you know, there is strength in numbers. Having a large and active membership increases our credibility and leverage as we push back against the tenant voices that always get the front page headlines.

Sincerely,
Brit Vitalius, President
